

The stars keep falling down on me:

////

Darling listen to me, the birds flew high in the sky today.

Now, The stars keep falling down.

You saw them fly high today
It's better than imagine them on a wall.

The stars keep falling down.

I dare not to change anything. A single move can spoil everything we have.

The stars keep falling down on me

It's easy...

I dare not to change anything. And you are watching the sky above
The stars keep falling down on me.

You.... so beautiful
It's easy
It's easy.... to say I love you.
