

## Change the Water:

You will climb up on your destiny -and ride it until dawn.  
Beyond the tall trees you will find the path - Shivering with  
what will come

Change the water, you can change the color blue. Go on  
further, than others do -Hopefully it comes true.

The first morning of Spring will open up our hearts. And there  
it is - what we call love. Suddenly your feet will run again -no  
matter where you'll land.

When darkness sets you will see the light - doubt is our closest  
friend. Tears will reach you even without your thirst - keep  
them til' you burst.
